

INDIGENOUS CERTIFICATION BOARD OF CANADA

**REGISTER OF ICBOC-APPROVED
INDEPENDENT TRAINERS**

One of the Indigenous Certification Board of Canada's mandate is to ensure that unregulated indigenous workers in occupations related to the addiction, mental wellness, health support and community development fields have access to education and/or training that is culturally competent, culturally safe and that matches ICBOC's professional certification standards and requirements. We are therefore always interested in adding qualified independent trainers to our directory of ICBOC-registered and approved trainers.

- If you are an independent trainer and are interested in applying for the accreditation of your training please contact the registrar by phone at 604 874 7425 or by email at registrar@icboc.ca
- Employers who wish to provide in-house training or conference organizers looking for presenters contact the ICBOC-registered and approved independent trainers listed in this directory **directly**

All our approved trainers must provide participants with an evaluation form, and a certificate of attendance and completion that must include certain details:

- The title of the training
- The total number of training hours
- The date (s) the training was delivered
- The name and signature of the trainer

Participants who complete the training delivered by an ICBOC-registered and approved trainer can then apply the hours to their first certification or as part of the 40 hours required for certification renewals.

In order to maintain the quality of this training access and referral service, we encourage anyone who hire these trainers or participate in the training they delivered, to send us their feedback. You can forward this either by email at registrar@icboc.ca or by regular mail:
