NOTE: EDUCATION/TRAINING

The required training hours may be acquired through university or college education programs, through more informal training offered by a range of training providers, including independent trainers. This training may be delivered in a variety of formats (programs, courses, workshops, seminars, webinars) and venues (class setting, in-house, online, conferences). ICBOC also accepts training hours acquired through alternative forms of learning/training.

All training hours must be supported by proof of attendance/completion. This includes transcripts, certificates and affidavits/declarations by qualified persons. Certificates must clearly bear the name of the provider, the title of the training, number of hours, date(s) of training and signature of the provider/trainer.

Declarations/affidavits must be written on the employer letterhead, include the title of the training, number of hours, date of training and signature of the provider/trainer and bear the name of the qualified person, his/her signature, and telepho or other contact information.
