CULTURAL PRACTICE (minimum)

20 hrs

Cultural/traditional activities pursued in the context of working with/treating a client or formal or informal training on topics specific to Aboriginal culture, traditions and/or history

CULTURAL COMPETENCY AND PROFESSIONAL INTEGRITY

Cultural competencies and professional integrity are required for all FNWACCB certifications

- Ability to respect, implement and incorporate First Nations culture, beliefs, values and traditions in treatment, including separate and combined Sweat Ceremonies, Coming of Age Ceremonies and all other cultural/spiritual ceremonies.
- Ability to support and assist client participation in traditional and cultural aspects of spiritual recovery.
- Acting with professional integrity with self, others, clients, colleagues, employers, and the general public

NOTE: EDUCATION/TRAINING

The required addictions-specific and addictions related hours may be acquired through formal education programs at university or college level or through more informal training offered by independent trainers or training organisations (continuing education programs, workshops, seminars, single courses delivered through conferences, in-house or online).
