INDIGENOUS CERTIFICATION BOARD OF CANADA

Application Package for the certification of Indigenous Diabetes Program Wellness Services Workers – CIDP-WSW 2021 EDITION

As an indigenous, culture-based certifying body, ICBOC recognizes that, for various reasons, it is sometimes difficult to attend training outside the community. We believe that knowledge and skills can also be acquired through other means. We encourage employers and supervisor to foster the sharing of the knowledge that already exists in the place of work. Creating a community/circle of learning in a workplace is a great way to enhance individual and collective knowledge.

IMPORTANT: Please read, use and complete this form carefully, as instructed. Failure to do so will annul the forms.

- Do not use this form for any training provided by external trainers/facilitators. If you attended in-house training, provided by external facilitators, please request certificates, and submit them with your application
- Use ONE form for each type of situation and signatory photocopy the form as needed
- The total hours in **ALL** the forms submitted must **not exceed 26 hours**.

Please use this form to only document the hours of **training acquired via the three (3) alternative ways** listed below. **Ensure it is completed as required by a person qualified to sign it** (employer, Elder, executive director, supervisor, training coordinator, human resources manager, or any other person responsible for staff training and who can be contacted). **A maximum of 26 hours for all the learning acquired in one or all listed situations will be accepted**.
