INSTRUCTIONS FOR COMPLETING FORM 3

What is alternative learning/training:

As an indigenous, culture-based certifying body, ICBOC recognizes that, for various reasons, it is sometimes difficult to attend training outside the community. We believe that knowledge and skills can also be acquired through alternative means. Below are three distinct situations where this kind of alternative learning/training can be acquired and recognized:

Situation 1. Participation in cultural/traditional activities in the context of your healing work with clients.

By attending and/or participating in these activities with your clients, during work hours, you are acquiring skills and knowledge about how and why these activities can impact the recovery and wellbeing of your client.

Situation 2. Cultural teachings or advice you received from an Elder at your place of employment, during the course of your work schedule. This might relate to issues pertaining to your own ability to engage with your clients, for which you are seeking guidance with the view to improve your interventions and relationship.

Situation 3. Training you have developed and delivered yourself in-house to your colleagues, your clients or to people in your community. By sharing your knowledge with others, you are also gaining valuable skills and knowledge. Among the skills you will acquire are presentation skills, interpersonal skills, communication, analytical, time management skills etc... Imparting knowledge is not a one-way process. Your audience is always made up of people who can also contribute their own ideas, views, learnings, values etc. This will impact and enhance your own knowledge. We encourage employers and supervisors to foster the sharing of the knowledge that already exists among their staff. Creating a community/circle of learning in a workplace enhances individual and collective learning.

IMPORTANT: Please read, use and complete this form carefully, as instructed, or the form will not be accepted.

- **Do not use this form to list any training provided by external trainers/facilitators.** If you attended in-house training, provided by external facilitators, use form 2.
- Please complete one form (form 3) per situation. Do not list learnings/trainings acquired in multiple situations on one single form. Please make as many photocopies of form 3 as you require to separately document learnings/trainings pertaining to each individual situation.
- Please note that the maximum number of hours accepted as part of the Declaration of alternative learning/training must **not exceed 26 hours.**
- **Ensure that each copy of form 3 listing the learnings/trainings is completed as required by a person qualified to sign it** (Elder, employer, executive director, supervisor, training coordinator, human resources manager, or any other person responsible for staff training and who can be contacted). If it is not possible for an Elder to complete and sign form 3 for situation 2, it can be completed by one of the other qualified persons. However, the name and contact information of the elder **MUST** be provided.
