Instructions for completing this Application Package

We trust you consulted the Summary of Standards and Requirements for **Certified Indigenous Addictions Specialists at level IV with a specialization in Fetal Alcohol Syndrome Disorder (FASD) attached to this application** before applying for this certification, and that you verified that your experience, academic qualifications, and education/training meet these certification standards and requirements.

If you have done so and can vouch that you satisfy these standards and requirements, congratulations! You are ready to achieve your goal to become a **Certified Indigenous Addictions Specialists at level IV with a specialization in Fetal Alcohol Syndrome Disorder (FASD)**.

Now that you have downloaded this application package, you are responsible for:

- 1. completing your sections and gathering all the required supporting documents,
- 2. ensuring that your references, supervisor, employers complete their parts, and
- 3. sending the entire package, <u>including the application fee</u> to the ICBOC office*. There is a checklist page 4 to help you. All material must arrive in our office in one envelope.

* For more information on applicable fees, please consult ICBOC's website at https://icboc.ca/certification/list-of-certifications/http-icboc-ca-addictions-wellness-certification-fees/

PLEASE KEEP A PHOTOCOPY OF THE COMPLETED APPLICATION PACKAGE FOR YOUR FILES.

If your supervisor and your referees wish to keep their references confidential (including the supervisor's evaluation), please provide them with an envelope (none are included in the application package) with the following information printed on the front.

Example: for a letter of reference the information on the outside of the envelope should bear the following information:

Letter of Reference for (write your first and last name)

Your application materials will first be received, logged, dated, and filed by our Administrative Coordinator. Your application file will be passed on to our Registrar for review **only when the complete package** with the cheque or money order (payable to the Indigenous Certification Board of Canada or ICBOC) has been received. Be sure to include your return address on the outside of the envelope containing your application package.

IMPORTANT: You might change address during the two years leading to your certification renewal, and we won't be able to contact you at the old address. **Please do not forget to inform us of any future change of address.**

If you have any questions regarding the application package, educational requirements, or about ICBOC please call us at: 450-983-8444 by email at admin@icboc.ca or registrar@icboc.ca

We look forward to receiving your application package and to assisting you in any way that we can.

Declaration concerning the verification of training

As an indigenous, culture-based certifying body, ICBOC recognizes that, for various reasons, it is sometimes difficult to attend training outside the community. We believe that knowledge and skills can also be acquired through other means.

Please use this form to document the hours of training acquired in the alternative ways listed below, ensuring it is completed as required by a person qualified to sign it (employer, Elder, executive director, supervisor, training coordinator, human resources manager, or any other person responsible for staff training and who can be contacted)

- Participation in cultural, traditional activities, ceremonies in the context of your healing work with clients.

 A maximum of 26 hours spent in such activities will be accepted. In the case of your certification renewal, this could represent over half of the 40 hours required.
- In-house training provided by your employer.
- Cultural teachings or advice you received from an Elder at your place of employment, during the course of your work schedule.
- Training you have yourself delivered to your colleagues, your clients or the public. In this case, please also submit both a copy of the training session description, including the title, learning objectives, content description and agenda.

Applicant's Declaration of Authorship

Applicants are required to submit **two** documents to support their expertise in the specialization subject (Fetal Alcohol Syndrome Disorder). This can be a research paper **or** a position paper **or** a workshop **or** a course, **as well as** a case study/intervention narrative.

ICBOC expect personal and professional integrity. Applicant must provide assurances, through this Declaration of Authorship that the research and authorship of the entire documents submitted to ICBOC are genuine and contains no plagiarism. ICBOC defines plagiarism as passing off the work of others as one's own.

DECLARATION OF AUTHORSHIP								
Name of applicant								
This Declaration of Authorship covers the following documents (please check appropriate boxes)								
Research paper Position paper Workshop Course								
Case Study / Intervention narrative								
Title of document one								
Title of document two								
I, certify that the above titled document is all my own work and contains no plagiarism. I agree to the following requirements: Any text, diagram or other material copied from other sources, (including, but not limited to, material such as books, journals, scholarly articles, manuals, guides whether published in printed form or posted on the internet) have been clearly acknowledged and referenced as such in the text by the use of "quotation marks" (or in <i>italics for longer quotations</i>), followed by the author's name and date documented either in the text or in a footnote/endnote. These details must then be confirmed by a fuller reference in the form of a bibliography. I understand that only documents which are my genuine work and which are free of plagiarism will be accepted, that failure to do so will result in the cancellation of the entire application.

ICBOC Code of Ethics

This "Code of Ethics" that we choose to live by is built on the cultural integrity of traditional Indigenous healing philosophy. Please sign and date it, and submit it with your application

- Abstain from substance misuse and process addictions during our tenure as Indigenous certified addictions professionals.
- Strive to incorporate the spiritual teachings of our ancestors into our daily lives. Take personal responsibility for continued growth through education, training, and a developmental wellness plan.
- Be dedicated to the concept that addictions are treatable, and the primary goal is to maintain recovery and wellness of the client.
- Show a genuine interest in helping and serving persons with addictions issues and be dedicated to the concept of wellness, recovery, and holistic healing.
- Honour cultural and traditional teachings that empower clients to choose a healthy lifestyle.
- Recognize the therapeutic value of humour.
- Accept and show respect for the diversity of all peoples and honour their race, colour, creed, age, sexual orientation, cultural/spiritual practices, and views.
- Respect the client by maintaining an objective professional relationship at all times. Avoid dual relationships at all times.
- Protect the confidentiality of all professionally acquired information. Disclosure of such information
 is done only when required or allowed by law to do so, or when clients have consented to disclosure.
 This includes all records, materials, and communications.
- Make a commitment to provide the highest quality of service possible. This is evidenced by continued professional interaction with the client and, where necessary, the utilization of other health professionals and/or services to assist and guide the client in her/his recovery and wellness.
- Assess personal and vocational strengths, limitations, biases, and effectiveness and be willing to recognize when it is in the client's best interest to refer or release them to other individuals and/or support programs.
- Be respectful of, work within, and strive to improve institutional policies and management functions.
- Respect all policies, codes of ethics, code of conduct, and any other clause, regulation, stipulation in effect in your place of work and that you are responsible to apply in your personal and/or professional life
- Insure the safety and welfare of clients by respecting all applicable federal and/or provincial laws of Canada regarding criminal records checks.
